

**View Your Kids!**

## Accessing Web Cam

- From your internet browser, go to web link *address to be provided*
- On that page you will be given several Compression Selections to choose. It should default to Mpeg4 Encoder Viewer, if not select this option and click on *select*

**Mpeg4 Encoder Viewer**  
This will allow you to view the web cameras. This is the live video feed.

**Compression Selection :**  
 Mpeg4 Encoder Viewer  
 JPEG Image Viewer

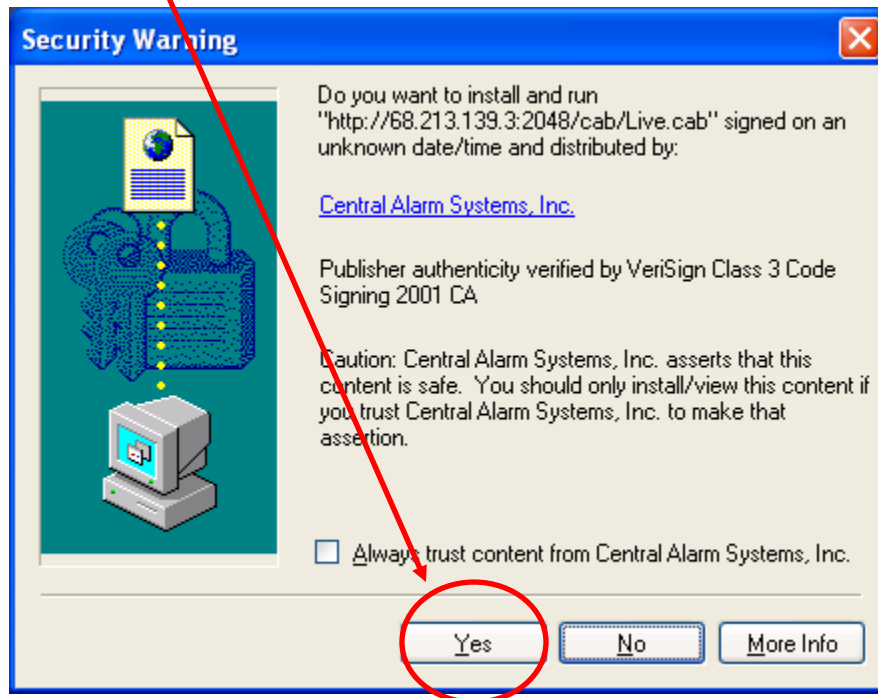

**JPEG Image Viewer**  
This will allow you to see a snapshot of what is currently on the camera. This is a picture not video.

BLUESPIDER DESIGNS, LLC.

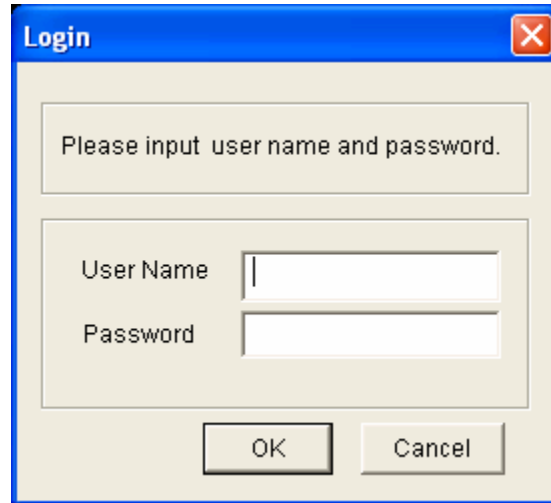

Done Internet

- You will be sent to a page that *Select Internet Connection* - before you choose anything you will receive a pop window asking if you would like to have downloaded. Select *Yes*, in order to proceed. Please be patient, the download can take some time. Once download is complete choose the connection type on the machine you are presently at and the amount of cameras you would like to view.

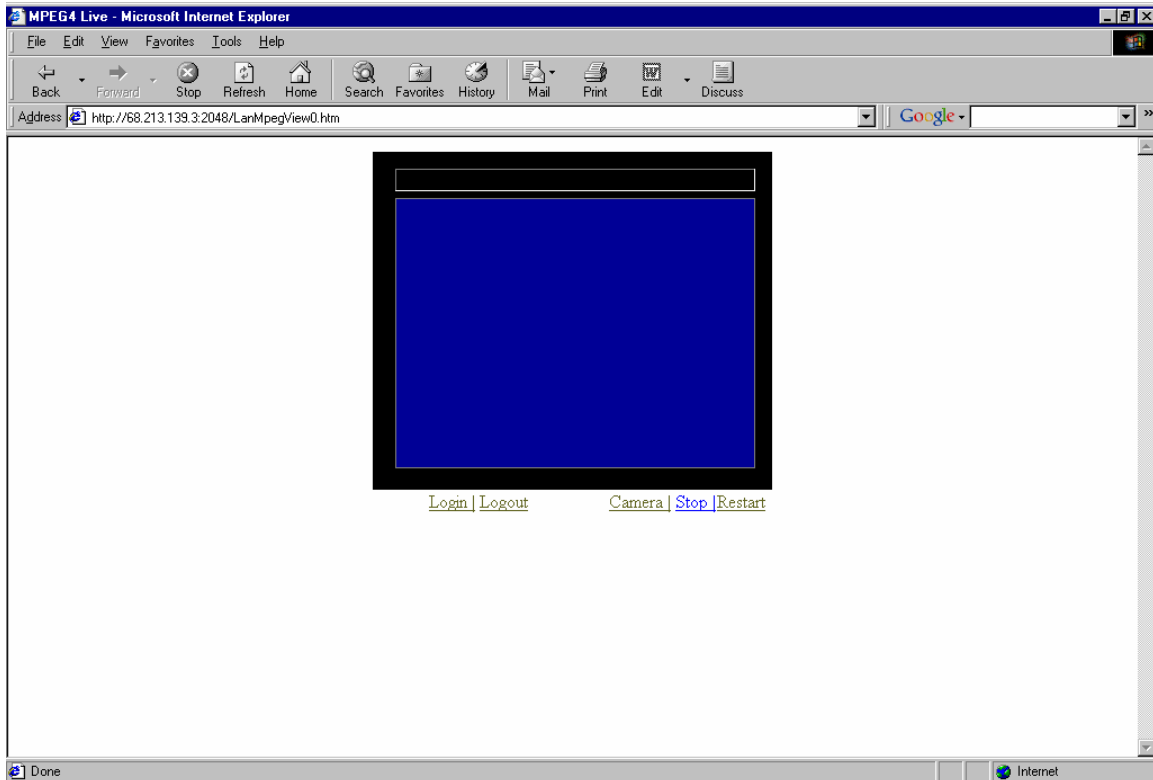

- You will be directed to another page and wait for download to complete

Enter your login and password

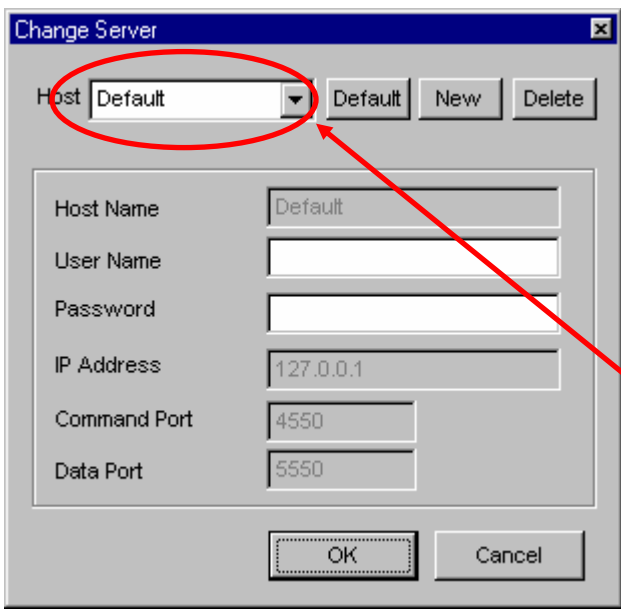

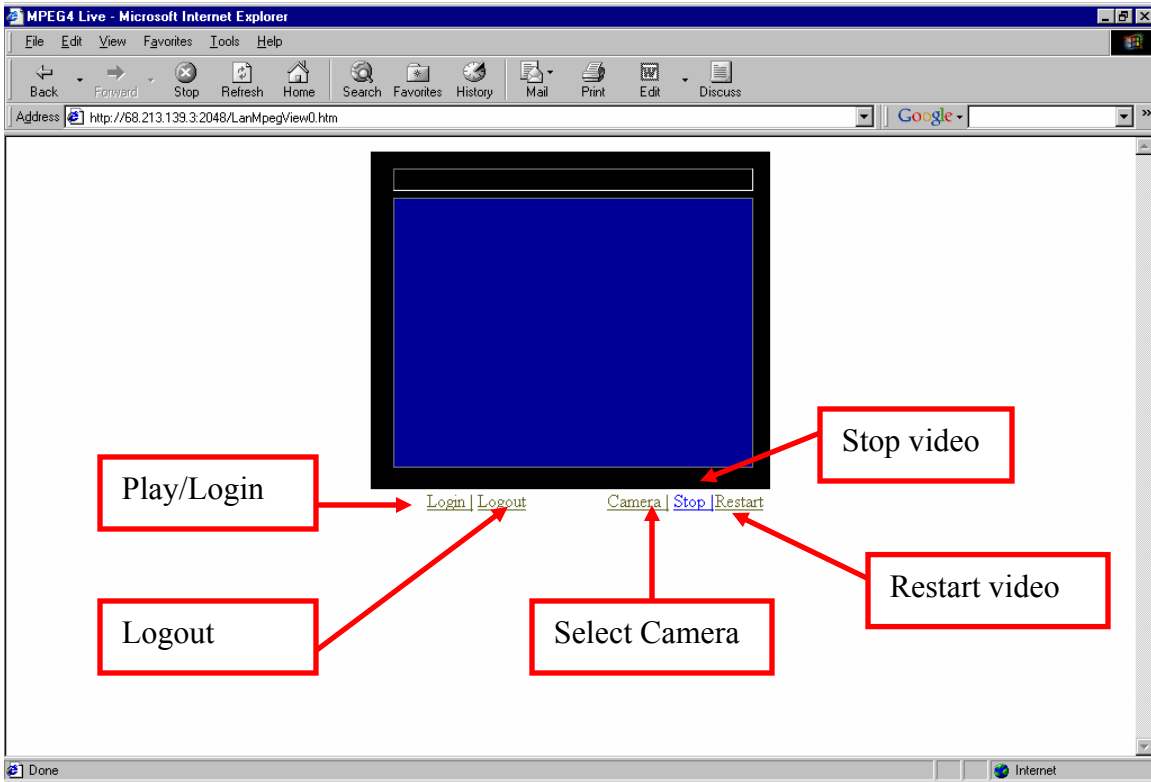

A dialog box titled "Login" with a blue border and a close button (X) in the top right corner. The text inside reads "Please input user name and password." Below this text are two input fields: "User Name" and "Password". At the bottom of the dialog are two buttons: "OK" and "Cancel".

- You will be directed to another page and wait for download to complete. You should now see the monitor window.

Click on Logout to return back to the TLC web site.

1. Click New
  2. Host Name = TLC
  3. User Name = Provided By TLC
  4. Password = Provided By TLC
  5. IP Address = 68.213.139.3
  6. Command Port = 4550
  7. Data Port = 5550
  8. Click OK
- This only needs to be done once. Subsequent logins just need to click on Host and choose TLC.

Problems can be reported to <http://www.bluespiderdesigns.net/support/ProjectAdd.asp>, or you can email [support@bluespiderdesigns.net](mailto:support@bluespiderdesigns.net).

You may email comments to [plearni@cfl.rr.com](mailto:plearni@cfl.rr.com).

Requirements:

PC with Internet Access (56k modem or Cable/DSL/T1)

Microsoft Windows 98 or better

Windows NT/2000/XP – must have administrator rights
